## Our Community

Enzo are committed to offering businesses and organisations to the Portsmouth, Hampshire area support and help in our field of expertise. Over the years we have created websites that benefit the local community and its residents.

Although we do not advertise it, we will consider payment plans if you cannot afford the overall outlay for a new website or service.

In the past we have supported Havant Childrens University and local private charities. We will continue to offer our services and should you wish to speak to us please use the contact page provided.

## Our Most Recent Project

This year we have given our support to HYSTS which stands for Havant Youth Sailing Training Scheme.

HYSTS is an RYA Recognised Training Centre, situated near Langstone High Street, Hampshire. They Offer RYA Sailing and Powerboat training to young people over the age of 11, in a range of modern boats.

They are a registered charity, and as such, are able to offer sessions for just £10 while still being fully insured, and using fully RYA qualified Senior Instructors to run all sailing sessions, and RYA Powerboat Instructors to run all powerboat courses.

## Are you a Charity?

Or an organisation that relies on donations to operate? Are you looking for a new website to help boost your cause? If so then give us a call, we cannot help everyone but we will always do our best to facilitate any requests you have.

All we ask in return is you allow us to place a logo on your website to help advertise Enzo Web Design.

We look forward to hearing from you.
